Mary Beth Graefe	K - M
Jennifer Gross	N - Se
Katie Shymanski	Sh - Z
Chris Ventimiglia	College & Career
Chris Vitale	Registrar
Amy Chkautovich	Admin. Assistant

Various College Credit Options

*Dual Credit (online & on MSD campus)

*Advanced Placement

*Dual Enrollment (online & on college campus)

(See more details in the Career & Course Planning Guide)

What is a Dual Credit course?

- A college course taught in a high school by certified high school instructor.
- Dual Credit registration is optional.
- Students can earn both high school and college credit.

Dual Credit Eligibility Requirements

- All students must have permission to participate from a designated school official and a parent/guardian.
- Students must meet the requirements which are determined by the Missouri Coordinating Board for Higher Education.

Dual Credit Eligibility Requirements (cont.)

Seniors/Juniors

- Automatically eligible with cumulative, unweighted GPA of 3.0
- GPA 2.5-2.99 need a letter of rec from the principal or counselor

Sophomores

- Must have cumulative, unweighted GPA of 3.0
- Letter of rec from the principal or counselor

Freshmen

- Must have cumulative, unweighted GPA of 3.0
- Score in the 90th percentile on ACT/SAT
- Letter of rec from the principal or counselor

Advanced Placement (AP) Program

- Created by the College Board
 - SAT, PSAT, Advanced Placement, CLEP
- Offers college-level curricula and examinations to high school students
- Exams are rigidly scheduled the first two weeks of May.
 - Scored on a scale of 1-5
 - Scores of 3-5 may qualify for college credit

Dual Enrollment

- Student attends a Community College or University while in high school.
- Courses are taught by a professor at the college campus or online.
- Students must apply to the college's dual enrollment/early college program.

Which Credits will Transfer?

- For AP, Dual Credit, & Dual Enrollment courses, students should check the websites of potential colleges before signing up to verify the transferability of credits.
- Search for the “transfer equivalency” information on the college’s website or contact the admissions office via phone or email.
- CORE 42 - credits transfer to all MO public colleges/universities
- Pay attention to all Dual Credit/Dual Enrollment procedures, drop deadlines, and payment schedules.

Comparing AP to DC/DE

Advanced Placement

*Exam score may earn college credit, depending on AP exam score and university standards.

*Test Cost = approximately \$100 per test

*Run by College Board Company- no college affiliation

Dual Credit/Dual Enrollment

*Successful completion of the course earns college credit at given university and may also transfer to other colleges.

*Cost per Credit Hour = approximately \$70 per credit hour

*Part-time college student--take advantage of campus libraries/labs/etc.

Finding a Path to a Future Career

- *Students should use their SCOIR and Missouri Connections accounts to research career and college options.
- *Students should develop their Individual Career and Academic Plans to assist them in thinking about courses necessary to prepare them for their post-secondary opportunities.
- *Students should investigate which exams are needed (ACT, SAT, WorkKeys, Accuplacer) and how best to prepare for those exams.

Finding Balance Between Rigor & Relevance

- *Students should choose courses which will challenge them, prepare them for the future, and in which they can be successful.
- *Students need to evaluate the time each course will take outside of school to develop a time management plan. If there will not be a realistic amount of time for studying, students need to prioritize which advanced courses will be most beneficial (whether that be courses in a potential major or courses they can finish prior to college).

Dual Enrollment Programs

Early College Program / Make It Count / Traditional DE

Josh Orndorff

The Early College Program @STLCC

375+ Students

34 High Schools

Early College Program

- Earn an Associate's degree and HS diploma at the same time
- Full-time college student during 11th and 12 grade
- Selective admissions - Mehlville S.D. covers the cost of tuition and books
- Transfer degrees designed to transfer credit to 4-year universities
- Access to the same college resources as traditional college students

Speak with your high school counselor for application information and timeline!

Program of Study

General Education ¹		
Written Communications		6
Oral Communications		3
Mathematics	Students must complete one (1) of the four (4) courses in the Mathematics pathway (MTH 160, MTH 161, MTH 180, or MTH 185), or a course that requires one of the Mathematics pathways courses as a prerequisite. ²	3
Social and Behavioral Sciences	Students must complete nine (9) credit hours from at least two (2) different disciplines. One course must be an approved Civics course.	9
Humanities and Fine Arts	Students must complete nine (9) credit hours from at least two (2) different disciplines. There is a limit of three (3) credit hours of Performance courses that can be applied to the Humanities and Fine Arts Knowledge Area and to the total CORE 42.	9
Natural Sciences	Students must complete seven (7) credit hours from at least two (2) different disciplines. One course must contain a laboratory component.	7
CORE 42 Elective	Any course designated with a MOTR number can be used to reach 42 credit hours with the exception of a limit of three (3) credit hours of Performance courses. No more than three (3) credit hours of Performance courses can be applied to the entire 42-credit hour CORE 42 general education block. ²	5
Electives		
Elective credits within the Associate in Arts degree allow the student to begin working toward an academic major by selecting courses within a discipline or to explore various subjects at an introductory level. Students should consult their transfer institution and/or work with an advisor for best course options.		18
Total Credit Hours		60

Make It Count

- Full-time college student during Spring semester, senior year
- Designed for students who complete high school graduation requirements early
- Selective admissions - Mehlville S.D. covers the cost of tuition and books
- Earn up to 18 transferrable credits
- Access to the same college resources as traditional college students

St. Louis Community College
Expanding Minds. Changing Lives.

Traditional Dual Enrollment

- Take up to 18 credits per semester
- Tuition and books are NOT COVERED
- Discounted tuition rate (\$72.50 per credit)
- 10th, 11th, 12 grade with 2.0 GPA
- Must have school and caretaker permission

St. Louis Community College
Accelerate. Change. Transform.

STLCC-South County

- Convenient location
- All community college services available
- Ample parking
- 18 classrooms
- Science Lab
- 4 Computer Classrooms
- Reserved space for Early college for meeting/studying

STLCC-South County

Home to:

- All courses needed to get your AA in GTS
- Evening EMT program
- Hiset/GED courses
- Mehlville/Affton Early College Academies
- Other new programming on the near horizon

Access Point

From here to a career...
in less than a year...

TEAM
Daugherty
Est. 1985

ACCESS
POINT

What Does Access Point do?

- Supports and trains high school students (and high school grads) who are interested in technology (**specifically coding**) to enter into an IT career in the St. Louis area
- Within a year of graduating from HS, students are guaranteed an entry-level coding job at a Fortune 500 company (Mastercard, Bayer, Express Scripts, Edward Jones, etc.) in the St. Louis area that comes with a starting salary of **\$55K+**, **full health benefits** and a **401k**.
- The company the student works for must offer college tuition reimbursement to help the participant pay to get his/her college degree. Which means, little to no college debt

What makes ACCESS POINT different?

✓We pre-identify the specific jobs to be filled and work backwards to align curriculum, mentoring, apprenticeships and support services

✓Our **Job Targeted Education** starts Senior Year in High School.

✓Focus on providing **HyperCare** for students and their families

✓All the training carries college credit and is aligned to migrate from the community college to 4-year institutions

From Here to a Career in Less Than a Year

- Students selected Spring Semester of Junior Year
- Classes with STLCC Senior Year – Python/Java
- Summer Training – Professional and Targeted
- Paid apprenticeship upon Fall Access Point Graduation
- Leading to a full-time \$56k+ salary and software engineering career
- Continue to earn while completing college education

Take Action

The screenshot shows the TFS enrolltrack application portal. At the top left is the North South Tech High Schools logo. At the top right is the TFS enrolltrack logo. Below the logos, there are two main sections: 'Create Account' and 'Returning Students Login'. The 'Create Account' section has a red 'Apply Now' button. The 'Returning Students Login' section has fields for 'Username:' and 'Password:', a red 'Sign In' button, and a 'Stay Signed In' checkbox. A 'Forgot Password?' link is also visible below the password field.

APPLICATION DEADLINE
APRIL 13, 2023

Competitive Entry Process

- Apply
- Review Documentation
- On track for graduation & meet program requirements
- Acceptance Round
- Waitlists are common

South Technical High School

- **Visit** 8th, 9th, and 10th grade
 - Fall preview night
 - Schedule a tour
- **Apply** in fall of 10th grade
- **Attend** orientation in spring, if accepted into a program

"Everything that I learned at Tech pertains to my career now. If you are thinking about Tech, there are so many different options and something for everyone to try."

Greg, Automotive Technology Alumni

Mehlville High Student Will Serve As Arts Advocate

Mehlville High School senior **Ally Butler** has been chosen as this year's National Student Arts Advocate for the Missouri Alliance for Arts Education. Ally will travel to Washington D.C. in March and attend the Americans for the Arts National Conference. She will also meet with Missouri members of the U.S. House of Representatives to discuss the importance of Arts Education funding. Ally is part of the MyPath program and plans to study Theatre Education next year at William Woods University.

Who Connects With St. Louis CAPS?

Our Associates Attend Following High Schools:

- Affton
- Bayless
- Fox
- Kirkwood
- Lindbergh
- Mehlville
- Oakville
- Seckman

Program Logistics

- Open for Junior & Senior Schedules
- Full-Year Course:
 - Three Hours On Your Schedule
- Credit Offered:
 - High School (3.0 Elective Credits) w/Embedded PLTW Courses
 - College Credit Available

- Two Sessions:
 - AM Session: 7:30 to 10:00
 - PM Session: 11:30 to 2:00
- Program Location:
 - Varies By Course Strand
- Transportation:
 - *Provided By The Student*
- Application Required

Course Strands We Offer

- **Medicine, Healthcare & Bioscience**
 - Seniors Only
- **Global Business & Entrepreneurship**
 - Juniors & Seniors
- **Teaching Careers In Education**
 - Juniors & Seniors
- **Engineering & Technology Design and Development**
 - Juniors & Seniors
